

Marion Physiotherapy and Advanced Pain Solutions are seeking a vibrant, team focused **Musculoskeletal Physiotherapist** with excellent manual therapy skills and strong patient rapport to join our dynamic and supportive multidisciplinary team (Physiotherapy, Psychology, Dietetics & Massage). **Interest and experience in Women's Health and/or Pain is an advantage**, but all are welcome to apply.

Our team is diverse, currently consisting of 7 physiotherapists with a wide range of special interests, post-grad qualifications and APA Titling in Musculoskeletal and Pain, APA Titling in Sports & Exercise, Women's Health, Neurological and Vestibular Physiotherapy, Disability Rehabilitation and now a growing interest in Paediatrics.

Marion Physiotherapy and Advanced Pain Solutions is a holistic private practice with a strong 20+ year history and following, specialising in innovative treatment programs and provides:

- 1 hour initial appointments allowing time for excellent assessment, treatment, clinical reasoning and patient education
- Base salary (including paid super and holidays) plus commission bonus earnings
- PD allowance to develop your expert skills and support any special interest areas
- Weekly individual mentoring with a senior physio to go through new and problem patients
- Manual therapy skills training to continue to grow manual skills
- All team problem patient solving meetings where we share ideas for complex patients
- All team Professional Development sessions

We offer individual treatment plus Multi-Disciplinary Persistent Pain and Functional Restoration Program, Pilates, Clinical Exercise, GLA:D/Joint Health and Mindfulness classes all available onsite with:

- 3 large functional gyms spaces
- Pilates equipment
- Cardio, cable and weight equipment
- whole body vibration equipment all available

Hours initially PT- but are negotiable for the right fit. Clinic hours may include some evenings and Saturday mornings but are again negotiable around family or sporting commitments for the right person.

If you have a passion for Physiotherapy, people and for developing your career in a dynamic and very supportive team please email application to Practice Manager [megan@marionphysio.com.au](mailto:megan@marionphysio.com.au) or call the clinic principal Julie Peacock 0417856872 to discuss position available.
