

MendPlus Psychology, (located onsite next to Marion Physiotherapy) led by Dr Ivan Atkinson is seeking a vibrant, team focused and passionate Clinical, Health or General Psychologist to join its growing multidisciplinary private practice team at Marion, where we partner with an interdisciplinary team of Physiotherapists with special interest in pain and trauma informed therapy, as well as a dietician, naturopath and specialised massage therapist.

MendPlus (previously Envision) is headed up by Dr Ivan Atkinson who has over 25 years' experience with a special interest in trauma, pain, children at risk, depression, anxiety, adult and child ADHD and Autism.

Offering flexible working hours to meet your needs of work/life balance and the option of reception support or own diary management for bookings. You will be part of a supportive and passionate multidisciplinary team.

The successful candidate will meet the following requirements:

- General registration or clinical endorsement with AHPRA
- Eligible for a Medicare provider number
- Professional indemnity insurance
- Own ABN
- Experience with various clinical presentations and evidence-based treatment modalities
- Ability to provide a high quality of service that encompasses assessment, intervention, and reporting requirements
- Well-developed communication, problem solving and interpersonal skills
- Interest in working in a multidisciplinary team as well as the ability to work autonomously
- Willingness to provide telehealth consultations as required by clients

For all enquires and applications in relation to this position please contact Dr Ivan Atkinson
