

Marion Physiotherapy and Advanced Pain Solutions are seeking an experienced and passionate **Remedial Massage Therapist** to join our well-established clinic. As a **subcontractor**, you will provide high-quality remedial massage treatments to our clients, working in collaboration with our physiotherapy team to support recovery and overall wellness.

Key Responsibilities:

- Delivering therapeutic remedial massage treatments for pain management, muscle recovery, and relaxation.
- Collaborating with physiotherapists and other healthcare professionals to provide holistic care.
- Maintaining professional and up-to-date knowledge of massage therapy techniques and client care.

Requirements:

- Accredited Remedial Massage Therapy qualification.
- Current insurance and professional registration.
- Current Police Clearance (or ability to obtain)
- Proven experience in remedial massage, preferably in a clinical setting.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a multidisciplinary team.
- Ability to work at least 1 evening per week.

Benefits:

- Full administration and reception support.
- Flexible hours to suit your lifestyle.
- Access to an existing client base and a well-equipped clinic.
- A supportive clinic environment.

If you are an experienced massage therapist and would like to work in a supportive and collaborative healthcare setting, we'd love to hear from you!

Please send your resume and a brief cover letter to megan@marionphysio.com.au or contact us on 08 8296 7594 for more information.
